Mrs. Dale Vaughan  
Sausalito City Hall  
420 Litho  
Sausalito, CA 94965

Dear Dale:

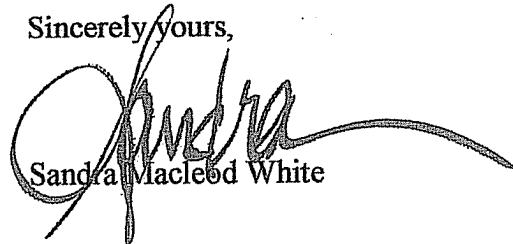

As per our conversation, I am enclosing herewith the letter you requested from Sande McGarry regarding my official residency in Sausalito.

I must admit that I find it very disturbing, if not extremely strange, that a member of the Sausalito Arts Commission would sink to such a level of snooping on neighbors, invading my privacy, and spreading erroneous rumors about me around City Hall.

It is because of this kind of behavior that leaves me no choice but to resign from the Sausalito Arts Commission. Therefore, this letter serves as my notice of resignation -- effective immediately.

Thank you for your understanding and professionalism.

Sincerely yours,

Sandra Macleod White
